The potential harm done by bribery, both to E-Jerrys and to anyone involved, is long term and hugely outweighs any potential short-term gain. Bribery is just not worth the risk.

Adopt the following principles: -

- Responsibility

You are responsible for your actions. If you break the law, you will have to face the consequences – which could mean a fine, imprisonment, or both.

- Integrity

Don't compromise your integrity. If you think something is wrong, ALWAYS report it. If you aren't sure, consult the Policy. Don't ever let yourself be forced into doing something you know or suspect is wrong.

- Genuineness

Always pay genuine prices for genuine goods and services. Never pay over the odds. Agents who ask for especially large fees or commissions may do so in order to pay bribes on your behalf. If this happens, you will be responsible. Excessive payments are obvious and will always be uncovered.

- Honesty

Act honestly and in good faith at all times and in all aspects of your work.

- Transparency

Keep accurate records (including all invoices and receipts) of everything that you do, especially in relation to the payments you make and what they are for. Full and accurate records demonstrate complete transparency and that you have nothing to hide.

Remember, take the RIGHT approach, and we can eradicate corruption together.
